Welcome to the Hotel Strasburg

The Hotel Strasburg, originally built as a private hospital in 1902, became a well-known place of lodging and dining in the Shenandoah Valley during the early 1900s. Restored to its Victorian Age elegance in 1978, its guest register in the lobby reflects a truly cosmopolitan parade of visitors from across the nation and around the world.

In keeping with local hospitality, the Hotel keeps the doors of the unoccupied hotel rooms open for patrons who are curious to view the furnishings and appointments.

We are devoted to being an exemplary host. We expect our freshly prepared food to be served with the courtesy and attention that you, our honored guest, deserve. Any suggestions that you believe will help us hold to that high standard will be greatly appreciated and accepted.

We thank you for your patronage and we hope you will visit with us again soon.
